- Java
- HTML & CSS
- Web development
- Python
- Critical Thinking

## EDUCATION

### SECONDARY SCHOOL

Alphores junior college  
2020 - 2022

### BACHELOR OF TECHNOLOGY

Guru nanak Institutions  
Technical Campus  
2022 - 2026

## LANGUAGE

English  
Telugu  
Hindi

## Projects

### 1.ONLINE PLATFORM FOR INCLUSIVE DESIGN(2024).

These platforms provide tools, guidelines, case studies, and best practices that help improve usability for individuals with varying abilities, backgrounds, and needs.

### 2.Cloud and Fog Environment using Data Integrity Audit(2025).

Engineered a secure cloud-fog data integrity audit, leveraging fog nodes to reduce latency and "data blinding" to prevent data leakage.

## OTHER SKILLS

- Video Editing
- Photo Editing
- Exploring new technologies
